

GOIN' BALD

FOR BUCKS

When you decide to donate your hair and collect pledges through Goin' Bald for Bucks, you are making a real difference in the lives of cancer patients!

See below for a list of wig-making charities that accept hair donations. Each place has different specifications, so be sure to review the requirements and select the charity of your choice.

You are responsible for mailing your ponytail donation to the organization that you choose.

Thank you for snipping, clipping and shaving your way to cancer cures!
